

# Temp Of The Month January 2019

## Read on to find out who our La Crème Temp of the Month for January 2019 is...

Martina began her temping career with La Crème many years ago where she spent 4 years in a temporary role before her hard work saw her being offered a permanent role within the organisation. Martina is a '*boomerang temp*' as when she returned to La Crème some years later in search of temporary work again, little did she know she would spend the next 9 years being one of the most valued members of a well known Multinational Cork organisation.

Martina's hard work and dedication has paid off once again in her temporary employment and we are delighted that has now secured a permanent role once again within the organisation.

We want to take this opportunity to thank Martina for all her hard work and commitment over the years and we wish her all the very best for the future.
