

#BalanceForBetter this International Women's Day

Aileen McCarney-06.03.2019

The theme for this year's International Women's Day is #BalanceForBetter, and aims to celebrate the achievements of women worldwide, along with highlighting the importance of equal opportunities and treatment, regardless of gender.

For this year's **IWD 19** we want to celebrate the incredible women who are ahead of the pack in their respective fields. We hope you feel inspired by our list of **5 Women to Watch in 2019 & Beyond**.
